Complete the following checklist in the next day or so. If you can say "yes" to most of the following statements with or without some help from outside, you are more likely to be successful in the course. If not, you may want to first strengthen your readiness and then take this course.

- I know what an online class is
- I know the difference between online and campus class
- I know why I am taking online class instead of campus class
- I know when and how to add or drop the class
- I know how to check my emails
- I know how to contact my instructor about my course work
- I know how to post my assignments online
- I know how to check my grade online
- I know how my grades are figured
- I know how to juggle my course work with the demands of my job and family
- I know I am not a procrastinator
- I know "making excuses " will only get me in trouble
- I know how to get help with writing or with math
- I know this online class is not self-paced, but is time-sensitive
