

Definitions of Online and On-campus Courses

- **Fully Online** (ISIS designator L) – a course with no face to face meetings whatsoever.
- **Partially Online** (ISIS designator M) – a course with at least one face to face meeting which accomplishes more than 50% of instruction online
- **Hybrid** (ISIS designator Z) – a course with reduced seat time in which more than 50% of instruction is conducted face to face with the rest being accomplished online.
- **On-campus/Web-enhanced** (no ISIS designator) – a classroom-based course with no reduced seat time which uses a Blackboard shell as a supplement and which may provide assessments and other required activities online.
